Expiry Date	:	10.01.2029 (rev.00)

This EU Type Examination Certificate covers the examination of the test results and technical file documentation in accordance with the PPE Regulation (EU) 2016/425 Annex-V for the above product group(s) by testing the product according to the relevant standards/technical specifications.

Following EU Type Examination, this product group has been found to meet the applicable essential health and safety requirements of the PPE Directive (EU) 2016/425 and Annex II as a product of the above-mentioned category.

This document remains valid for 5 years from the date of first issuance, unless the conditions in the harmonized technical specification change significantly.

The organization mentioned in this document is authorized to use the notified body number and affix the CE conformity mark on products of the approved type as follows.
